**\*Prayer of Confession**

Life is sometimes like a giant spider web. We seem to get caught and entangled in its threads, not knowing which way to turn or how to extricate ourselves from the dilemmas in which we are trapped. Lord, you know that so many of these dilemmas and burdens are of our own creation, coming out of our stubbornness and fear. We find it much easier to turn our back on people in need, or just write a check and hope that the problems go away. Forgive us when we decide not to become involved in the solution, when we would rather back off from helping and turn and run for cover. Give us an extra measure of courage and strength along with your forgiving love, that we may again place our whole trust in you. In Jesus' name, we pray. AMEN.
